

# PUBLIC DESIGN WORKSHOP

## SCHEDULE OF EVENTS

MON, JAN 13	 2 PM-3 PM	<b>Community Conversation: Housing Options</b> How do we choose where to live? What options do we have, and, most importantly, what other options would we like?
	 4 PM-5 PM	<b>Community Conversation: Arts and Culture</b> Come learn how all of the places you have always wanted to live in at or visit have one thing in common. Here's your chance to tell the team what you think will enhance arts and culture within the community.
	 6:30 PM	<b>Kick-off: Hands-on Design!</b> After a quick introduction, we will sit together to discuss how you think Sharyland should grow.
TUE, JAN 14	 2 PM-8 PM	<b>Open Studio</b> Drop by anytime and join the conversation. Share with the team what your perfect city looks like.
	 2 PM-3 PM	<b>Community Conversation: Health and Wellness</b> The environment around us shapes our daily activities as well as the access we have to parks, trails, healthy food, and services. Here's your chance to get a first-hand look at how town planning can make it easier to live healthier lives!
WED, JAN 15	 4 PM-5 PM	<b>Community Conversation: Child-Friendly Design</b> Children are invited to attend! We want to hear from them and their parents: "What does your perfect city look like?"
	 2 PM-6 PM	<b>Open Studio</b> Drop by anytime and join the conversation. Share with the team what your perfect city looks like.
	 2 PM-3 PM	<b>Community Conversation: Design for All Stages of Life</b> Your city should be a place you can enjoy and experience at any age. Baby boomers and Millennials have more in common than they think!
	 4 PM-5 PM	<b>Community Conversation: Young Professionals</b> Young entrepreneurs are defining the growth of our cities. What do we need to make this a desirable place to live in and invest in? Join the conversation in an open forum discussion with the planning team – everyone is invited to participate!
THURS, JAN 16	 6:30 PM	<b>Open-Studio Evening!</b> The many ideas you brought to the table will start to materialize in a draft document that will be presented as part of the Sharyland Town Planning. This is the first step toward building a stronger community and shaping our town!
	 2 PM-3 PM	<b>Community Conversation: Mobility</b> How we get around during our day-to-day activities is a critical element in town planning. The types of mobility options we have access to as a community and how our streets are designed directly affect the way we live, how connected we are, and how safe our streets are.
	 2 PM-6 PM	<b>Open Studio</b> Drop by anytime and join the conversation. Share with the team what your perfect city looks like.
FRI, JAN 17	 2 PM-3 PM	<b>Focus Group: Border Relations and Improvements</b> One of the most unique characteristics of our town is defined by our border. Culture and trade, among others, are just a few items that can help define our growth!
	 4 PM-5 PM	<b>Focus Group: Environment and Green Space</b> Parks, plazas, and trails are a few examples of how our environment can enhance our surroundings, making this a crucial part of town planning.
	 6:30 PM	<b>Final Presentation (your work in progress)</b> This session will give you a chance to see the fruits of your labor and how Sharyland can be the perfect place to live, work, play, and grow!
